SAYLOR NOMINATED

For Common Pleas Judge by the Democrats last Thursday.

On Thursday afternoon of last week the Democrats of this judicial district held their convention in Bowling Green and nominated Milton Saylor of Tiffin.

Hancock county presented two candidates—Hon. Thos. Meehan and Samuel R. Williams, and Saylor of Seneca, were the three candidates.

It required four ballots to settle the contention, and Saylor won out by a good vote.

Saylor will be opposed by Judge Duncan of Findlay, the present incumbent.

The Best Hour of Life

is when you do some great deed or discover some wonderful fact. This hour came to J. R. Pitt, of Rocky Mt., N. C., when he was suffering intensely, as he says, "from the worst cold I ever had, I then proved to my great satisfaction, what a wonderful Cold and Cough cure Dr. King's New Discovery is. For, after taking one bottle, I was entirely cured. You can't say anything too good of a medicine like that." Its the surest and best remedy for diseased lungs, Hemorrhages, LaGrippe, Asthma, Hay Fever—any Throat or Lung Trouble. 50c and \$1.00. Trial bottle free. Guaranteed by C. P. Champney.

QUAIL ARE THE FARMER'S FRIEND.

The Bob White is not only a beautiful bird with a call so clear and ringing that to many of us an autumn day would not be complete without it, but he is a tirelessly active seed and noxious insect destroyer. His interests are exactly the same as ours. He works unceasingly to destroy our enemies.

One fourth of all cultivated crops are destroyed by insects, and therefore we must pay 25 per cent more for them than we otherwise would. Should a nation act like a happy-go-lucky spendthrift, yielding to the impulses of the moment with no thought of the future? It is the opinion of some of us that the bird army, which so strenuously and continuously fights the destroyers of our crops, is not the least of the great resources of our country which should be conserved. Prof. H. M. BENEDICT.

Life on Panama Canal

has had one frightful drawback, malaria trouble, that has brought suffering and death to thousands. The germs cause chills, fever and ague, biliousness, jaundice, lassitude, weakness and general debility. But Electric Bitters never fail to destroy them and cure malaria troubles. "Three bottles completely cured me of a very severe attack of malaria," writes Wm. A. Fretwell, of Lucama, N. C., "and I've had good health ever since." Cure Stomach, Liver and Kidney Troubles, and prevent Typhoid. 50c. Guaranteed by C. P. Champney.

M. E. SUNDAY SCHOOL PICNIC.

About one hundred members of the M. E. Sunday school and their friends enjoyed a day's outing at Walbridge Park on Friday of last week. The large portion of them made the trip in the steamer Ft. Meigs.

SHOWS PUBLIC SPIRIT.

Oliver Goodman has again exemplified his generosity by presenting to the village of Perrysburg a handsome flag 10x12 in size. Mr. Goodman requested that the flag be kept flying from the pole at Monument Park and promises when it is gone to replace it with another new one.

Be sure and take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with you when starting on your trip this summer. It cannot be obtained on board the trains or steamers. Changes of water and climate often cause sudden attacks of diarrhoea, and it is best to be prepared. Sold by C. P. Champney.

CHANGE OF VENUE

Important Case from Seneca County comes to Wood County.

The papers in the case of the estate of Ohio against Frank J. Fry, the former county commissioner of Seneca county, who is charged with soliciting and receiving a bribe, and which will be tried in this county in October, on a change of venue which was granted the other day, have been received by the clerk of the courts.

The indictment says that Fry, as county commissioner, made a bargain with Charles Peters of that county, then the surveyor, to vote for him for tax map draughtsman, if Peters would pay him, Fry, \$500. The indictment alleges that Peters paid twenty dollars on account.

There are a number of strong attorneys in the case and, when it is tried here, practically all the real folks in Seneca county will be in Bowling Green, as this is a cause celebre over there and very important from a political standpoint, owing to the standing and influence of Fry.

ROSE LAW VIOLATIONS

Hoytville Men Arrested for Violation of Local Option Law.

The town of Hoytville is greatly excited over a series of arrests which were made Monday morning for the violation of the Rose local option law and which bid fair to keep the town inflamed for a considerable time, says the Sentinel.

Warrants were sworn out Sunday night by Nightwatch Daniel Ramsey, charging William B. Frank, Bonner Wall, Carl Tyner, T. O. Copus and Grant Mason with violating the state liquor laws. All were served and the defendants instructed to appear in court Monday. When they did so, they were accompanied by Edward Beverstock of Bowling Green, who secured a continuance.

The charge is based on the statement of Ramsey that the five men spent the greater part of Sunday afternoon playing a game of seven up at the depot at this place and that they were treated to intoxicating liquors. All are well known and their arrest has created much interest.

The mayor of Hoytville, is reported to have said that, in case the accusation of fracturing the liquor laws does not stand up, the young men will be charged with gambling in a public place.

PLAN FOR BIG DAY.

Plans are being made for a big celebration by Br. No. 29, C. M. B. A., of this place, on the occasion of the dedication and blessing of the beautiful Carrara Marble Statue of St. Rose of Lima, which was presented to St. Rose's church by the local C. M. B. A.

The date set for the ceremonies is Sunday, August 28th, that day being the day observed by the church as the feast of St. Rose de Lima.

The program has not been fully arranged as yet, but is rapidly progressing.

Rev. G. H. Rieken and Rev. J. H. Kleekamp have signified their intention to attend and the local C. M. B. A. are sending out invitations to all branches in Northwestern Ohio and it is being planned to have a large parade preceding the ceremonies at the church.

The State President C. A. Waechter of Canton, the State Secretary, Jos. Wimm, of Akron, Ohio, and District Deputy H. P. Murphy of Toledo, have been asked to come and will make addresses.

The Statue was ordered last year so as to have been here and ready for dedication and unveiling last August, but it did not arrive until November and the ceremonies had to be postponed until this year.

The Staute is of genuine Carrara Marble and was quarried and executed in Italy and is considered one of the finest of its kind in Northwestern Ohio. It cost the C. M. B. A. members nearly \$450.

Further and more complete arrangements will appear later in the Journal.

BURGLARS AT MAUMEE.

During the absence of M. P. Frederick's from their home at Maumee, last Saturday evening, burglars entered the residence and ransacked the house. On the return of the family it was found the "egggs" had departed taking with them a watch, rings, revolver and jewelry to the amount of \$150. The Toledo police have been asked to help in the search for the culprits, but as yet their efforts have been in vain.

LEMOYNE BOY DROWNED

On Sunday While Swimming in Stone Quarry.

On Sunday last, John Baker, aged about 15, and living at LeMoyne, was drowned while swimming in the stone quarry on the Herbarger farm, near LeMoyne.

He and another youth, Phillip Evans, had gone to the quarry together. Young Baker was apparently taken with cramps. The Evans boy made an ineffectual attempt to rescue him.

After his companion had sunk from sight, young Evans rode on his bicycle to the nearest place and summoned aid; but, owing to defective apparatus, the body was not recovered for three hours.

The funeral was held Wednesday morning at ten o'clock at the Dunkard church, Rev. D. E. Whitmore of Fostoria, officiating. Interment was made in the Lake cemetery at Walbridge.

He was the son of S. D. Baker and besides his parents he leaves a brother, Robert, and a sister, Edith. He was born at Lindsay, Sandusky county.

TEACHERS' ENTERTAINMENT.

The ladies of the churches of Perrysburg, at the request of Perrysburg teachers have undertaken to furnish DINNERS and SUPPERS for all teachers not otherwise provided.

On Monday the Presbyterian ladies will furnish dinner and supper; on Tuesday the Catholic ladies; on Wednesday the Methodist ladies; on Thursday the Evangelical ladies, and for Friday the Catholic ladies have been asked to do the furnishing. The price of these meals will be 25 cents.

This arrangement will give the teachers an opportunity of a social hour as well as excellent meals.

It should also be understood that a car will run to Eagle Junction to meet the teachers coming in, also it will meet the cars, on which teachers, who do not stay in town, desire to return home each day. This car will go to Eagle Junction after the evening lectures and other evening entertainments.

The committee on entertainment reports that they have plenty of places secured for all teachers who will spend the week in Perrysburg. This committee will be in the recitation room of the school building on Monday, August 8th, and will assign places to those desiring them.

The sessions of the institute are open to all who care to attend. Many of the townspeople should take the opportunity of hearing some of the best talent engaged in professional school work. The evening lectures especially should be well attended. The musical numbers promised for these sessions and entertainments are of the best.
